Other	Schurch-Schuerch Family History, Vol. 2	Dr. Terry L. Schürch Richmond, OH	Dr. Terry L. Schürch Richmond, OH	87122220							This book covers the genealogy of a broad spectrum of Schürch who emigrated from Switzerland to the United States primarily during the 2nd half of the 19th century and early 20th C, but altogether encompassing the years of 1805 to to 1916. The immigrants in this book are identified by codes (2A) through (2Z), to distinguish them from the earlier immigrants that the Schürch Family Association of North America has previously coded A through Z. However, the code numbers following the initial identifiers (2A) through (2Z) are assigned in the conventional manner according to the order of birth in the family. Therefore, the coding is completely compatible and easily understood.
